Local Workforce Investment Area staff is encouraged to publicize these tax preparation and filing resources to customers visiting an America's Job Center of CaliforniaSM (AJCC). The [Free File](#) website provides a number of useful materials. Additionally, local area staff can order free printed Free File flyers and posters from the IRS National Distribution Center by calling 1-800-Tax-Form (1-800-829-3676). Local area staff should make use of these materials where possible, display posters in their AJCCs, and become familiar with the Free File website in order to share information about this service with AJCC customers. Although established priorities for computer use at AJCCs remain unchanged, local areas may choose to make computers available for free federal tax filing as resources permit.
