SUBJECT: SIGNAGE FOR VETERAN JOB SEEKERS REVISED

The Veteran Job Seekers Poster (DE 3195) has been revised to direct veteran job seekers to the Employment Development Department's Veterans' Service Navigator (VSN). The VSN is the first point of contact in determining eligibility and proper service delivery when any veteran visits an America's Job Center of CaliforniaSM (AJCC).

The VSN uses a screening process that takes into consideration an integrated workforce environment (which may include Jobs for Veterans' State Grant [JVSG] funded staff, Wagner-Peyser staff, and Workforce Investment Act partner staff). This process ensures veteran job seekers receive priority of service in order to help them pursue their employment goals.

To ensure compliance with the JVSG, please remove all existing EDD signage that instructs veteran job seekers to "See a Veterans' Representative." Replace the EDD signage you removed with the revised Veteran Job Seekers Poster (DE 3195) by March 15, 2015. Additionally, the Veteran Job Seekers Flyers (DE 3195A) are available upon request. Veteran Job Fair Posters are exempt from this request.

Please work with your local EDD staff to order the revised signage for your AJCC.
