SUBJECT: ETA RELEASES PRE-APPRENTICESHIP PROGRAM DEFINITION AND RESOURCES

The purpose of this Information Notice is to inform Local Workforce Investment Boards and other interested parties that the U.S. Department of Labor's Employment and Training Administration (ETA) has released Training and Employment Notice (TEN) 13-12 which defines pre-apprenticeship programs and provides related tools and resources.

The TEN provides the newly developed detailed ETA definition of a pre-apprenticeship program and specifies a framework of elements which make up a quality pre-apprenticeship program. In addition, the TEN provides a list of technical assistance and resource materials to support expanded partnerships between quality pre-apprenticeship programs and Registered Apprenticeship programs.

The TEN, Defining a Quality Pre-Apprenticeship Program and Related Tools and Resources, may be accessed on the U.S. Department of Labor website at wdr.doleta.gov/directives/corr_doc.cfm?DOCN=5842.
